

HAPPY

So we feel HAPPY:

- I am kind to people
- I am polite and use manners
- I share and take turns with others
- I work with others and have fun

SAFE

So we feel SAFE:

- I keep my hands and feet to myself
- I use my Highway Heroes Tools (Think, Say, Do)
- I play safe games
- I stay away from things that could hurt me

RESPECTED

So we feel RESPECTED:

- Allow others to work and learn
- Listen to others
- Care for ourselves and others
- Care for our school and the environment

If we do this, we can all HAVE FUN inside and outside the classroom

When I have problems I can...

- Kindly tell the person how I feel;
- Say "Stop it, I don't like it" when I need to;
- Use Highway Heroes strategies;
- Play something else, somewhere else, with someone else;
- Ask a teacher to prompt my strategies;
- Use the school values.
