

STUDENT CODE OF CONDUCT - UPPER YEARS

HAPPY

SAFE

RESPECTED

So we feel **HAPPY, SAFE and RESPECTED** we:

Use Highway Heroes strategies to try to solve bumps independently;

Speak to a "Trusted Adult" to help us
(not to solve small bumps for us);

Show Respect by ...

- caring for myself, others, my school and the environment

Show Excellence by ...

- trying your best and persisting with tasks

Show Inclusivity by ...

- including others in our activities/games

Show Community by ...

- involving ourselves in activities and being welcoming people

Show Compassion by ...

- being kind to others

Show Truth by ...

- being honest to ourselves and others at all times

If we do this, we can all **HAVE FUN** inside and outside the classroom

When I have problems I can...

Tell the person how I feel;
Use Highway Heroes strategies;
Play something else, somewhere else, with someone else;
Ask a teacher to prompt my strategies;
Use the school values.
